Note: [Ordering of special functions is possible only if you have our diagnostic interface AVDI](#)

MAIN SCREEN

The screenshot shows the main interface of the ABRITES software. At the top, the window title is 'Abrites' and the URL 'www.abritus72.com' is displayed. The central part of the screen is a table with the following columns: '#', 'Unit name', 'Protocol', and 'DTC'. The table lists 17 vehicle systems, with 'Supplementary vehicle system' highlighted in blue. To the right of the table are three navigation buttons: 'Previous' (up arrow), 'Connect' (right arrow), and 'Next' (down arrow). Below the table is a menu bar with 'Special Functions', 'Vehicle Selection', and 'Options'. The 'Special Functions' menu is open, showing a 'Key learning' option with a key icon. To the right of the menu is an 'Open' button (right arrow).

#	Unit name	Protocol	DTC
